

Family Support & Resource Center

Case Manager – Family Support Program Position Opening

Full-time position available for case manager at the Family Support and Resource Center. This job involves direct work with Dane County families who have children with disabilities. Responsibilities include advocacy, problem-solving, information and referral, short and long range planning and other tasks related to case management.

Qualifications include bachelor's degree in social work, special education or related field, plus two years experience working with families who have children with disabilities. Master's degree preferred. Must have excellent communication and advocacy skills, and knowledge of Dane County resources. Car required.

Salary range \$34,000-\$35,500, plus excellent benefits.

Resume, application and cover letter due by May 12, 2008. Call the Family Support and Resource Center at 237-7630 for an application.
